About This Game

Humble Pie puts you in a late night confrontation with a demanding snack-obsessed POTUS armed with nothing but your courage and a stack of freshly baked cherry pies. You're given 3 rounds of 30 seconds and all the pies you can throw. Forget the headlines and laugh your stress away in this light-hearted piece of 'virtual therapy'.

Sell a few cards and throw some pies at rump, I'm already sick of all this winning.. I can't tell which I liked more: The riveting story or the masterful voice acting. This game changed how I view politics and pastries alike.
